

Videographer at Lexonik

Lexonik is a fast-paced literacy company that empowers learners with key literacy skills that build confidence and equal opportunities for all through our high-quality learning experiences and resources. We are at an exciting stage of our business, as we continue to evolve our programmes with new technologies, and continue to grow our global audience.

We are looking for a talented and creative videographer to join our team, helping us produce engaging and informative video content and resources that will enhance our educational offerings and promote our brand.

As our videographer, you will be responsible for producing a wide range of videos, including promotional videos, instructional videos, and training resources. You will be involved in every stage of the video production process, from initial concept and planning to shooting, editing, and final delivery. We are seeking a candidate who is passionate about video, has a keen eye for detail, and is up-to-date with the latest industry techniques and trends. While based at our head office in Stockton-on-Tees, you will also have the opportunity to work with our wider teams and regional trainers on location around the UK

Required Skills

- Proven experience as a videographer, ideally within the education sector or having been involved in projects creating training videos.
- Excellent understanding of video production processes, including pre-production, shooting, and post-production.
- Experience in using professional cameras, lighting, and sound equipment.
- Proficiency in video editing software such as Adobe Premiere Pro, Final Cut Pro, or similar.
- Experience with various video formats, production techniques, and editing tools.
- Ability to work independently and as part of a team.
- Strong organisational and time management skills.
- Ability to manage multiple projects and meet delivery deadlines.
- Attention to detail and commitment to delivering high-quality work.
- Excellent communication skills, both written and verbal.

Desirable:

- Knowledge of the educational sector and its specific requirements is a plus.
- Experience creating motion graphics and animations.
- Experience in AV setup for online events and webinars.
- Familiarity with sound design and mixing.
- Understanding SEO and digital marketing best practices as they relate to video content.
- Holding a UK driver's license is of benefit for location shoots, but not a requirement.

What We Offer:

- A collaborative and dynamic working environment.
- A dedicated, on-site recording studio at Lexonik HQ.
- Opportunities for professional development and growth.
- The chance to make a real impact in the education sector.
- A competitive salary and comprehensive benefits package.
- Invitation to our annual company event and national awards dinner.

Interested?

If this sounds like the role for you, please submit your application by emailing your CV and cover letter over to Recruitment@lexonik.co.uk before closing date **Monday 23rd September.**

Inclusion statement

Sound Training for Reading, trading as Lexonik, nurtures diversity through inclusive practices. We consider all qualified applications for this position regardless of their age, race, religion, gender identity, sexual orientation, disabilities, or other characteristics.
